Opening the world through education

EF Explore America

EF Explore America travel programs– Provide a wide range of educator-led, North American educational travel programs that support curricular priorities and social emotional learning as well as align with the New York State's Portrait of a Graduate – specifically reinforcing Global Citizenship, Cultural Competency as well as the essential skill development. Arts education is woven throughout most all of our tour themes including: Language & Culture, Service Learning, STEM, CTE, Social Studies, Leadership and more. Every tour provides students with in-depth exploration, authentic connections and hands-on experience. Providing tours from coast to coast including the most popular destinations to Washington, D.C., Gettysburg, and New York City. EF aligns with district priorities, and is a proud partner with the Honor Flight Network and the United Nations foundation.
