****NEW PROGRAMS****

Broadway Teaches-Through the use of Arts Education and Arts Literacy techniques, enhance your curriculum with the help of an artist direct from Broadway. The artist will fuse the magic of theatre with lesson plan topics to bring students an enriching and engaging experience taking them from the page to the stage! Sample topics include: *Broadway Teaches Juneteenth* and *Broadway Teaches Women's History*.

Guest Artist Experience-This experience allows for students to meet, learn, and PERFORM with an artist. A Broadway Star will visit your school/studio to lead a masterclass for your students. Later, you will host a showcase, which is designed for students and the artist to sing onstage in tandem. This is an audience-attended event featuring a Broadway artist with your students.

*****An Opening Night option is available as well where a Broadway artist hosts your opening night and sings two songs and a finale post bows. *****
