SPOTLIGHT **New Vendor** UNITE CORPORATION ARRIVE ALIVE TOUR

- Motor vehicle crashes are a leading cause of unintentional deaths for teens (16-17) in New York State.
- > Every day, approximately 10 people are killed or seen in hospitals due to car crashes caused by a teen driver.
- > Teen drivers involved in impaired driving crashes are five times more likely to suffer from a fatal or severe injury. Every day, four teen drivers are involved in crashes where distraction was a contributing factor. https://www.health.ny.gov/prevention/injury_prevention/teen_driving_fact_sheet.htm

Coming to Long Island April, May & Early June

<u>UNITE's Arrive Alive Tour</u> uses a high-tech simulator, impact video and a number of other resources to educate students and communities about the danger of texting while driving, drinking and driving, and drugged driving. The simulator allows participants to experience, in a controlled environment, the potential consequences of distracted driving and/or driving while intoxicated. www.arrivealivetour.org
