

# **Poplar Elementary**

## **School Volunteers**

**Dear Parents/Guardians,**

**We are excited for the upcoming school year at Poplar Elementary School. As we prepare for another fantastic year of learning and growth, we would like to extend an invitation to all parents and guardians to actively participate in our school community by volunteering their time and support.**

**We have various opportunities for volunteering both inside and outside of the classroom. Your assistance can greatly benefit our students, whether it is working with them directly, preparing materials, or helping organize events. Your time makes a significant impact on our students' journey.**

**For the safety and well-being of our students, all volunteers are required to complete the necessary volunteer forms, provide a valid driver's license, and a current TB clearance.**

**Additionally, if you wish to chaperone a field trip, participate in school activities, or volunteer for more than sixteen hours, fingerprinting is mandatory. The district is currently covering the costs associated with the fingerprinting process. This is a great opportunity to get costs covered by the district.**

**To avoid delays in volunteering, we highly recommend beginning the clearance process at the start of the school year. The process typically takes a few weeks to complete, but you are welcomed to volunteer while your application is being processed.**

**Our teachers and the Parent-Teacher Association (PTA) are always on the lookout for support.**

**If you have any questions or need further assistance regarding the volunteer process, please do not hesitate to contact the school office at (909) 357-5720. We are here to help every step of the way. Together, let's create a vibrant nurturing learning environment where our children can flourish and reach their full potential. Your dedication and support are deeply appreciated.**

**Sincerely,**

**Ms. Meyers, Principal  
Poplar Elementary School**
