CVSD **Doctor Note** (To be used after 15 absences)

Dear Parent/Guardian: According to school district procedure, your child has exceeded the maximum number of school days (15) that can be excused by parent notes and/or traditional doctor notes. For each partial or full day absence your child accrues for the remainder of the school year, your child must be taken to a doctor and this form must be completed. The Communication Form must be returned to the school office within five days of your child's absence.

If the district has permission to discuss your child's health needs (in relation to academic needs) with school officials, please sign here: _____
