## Kindergarten Registration

*Kindergarten Registration details for 2022-2023 will be updated January 2022*

### Kindergarten Registration for the 2021-2022 School Year Begins Online

The Issaquah School District offers Full Day Kindergarten at no cost to all students. The window to register your child for kindergarten for the 2021-2022 school year begins February 1, and must be completed by August 5. If you missed this initial registration window, **please visit the ISD New Student Enrollment website**. Students who are turning 5 years old by August 31, 2021, are eligible for enrollment for the 2021-2022 school year.

Please visit the **ISD New Student Enrollment website** to begin enrollment. Once the online portion is complete, you will be required to visit your neighborhood school to pick up additional forms that must be completed in order to finish the enrollment process. *If you cannot access the online application, please call or visit your neighborhood school for assistance.*

- Please Note: Students in the **Early Childhood Education (ECE) Program, SLP Program, and those previously evaluated by Special Services (ex. Childfind)** must still complete the online kindergarten enrollment process to register for kindergarten. Please start the process as though you are a new student to the Issaquah School District.

School offices are open from 8:30 – 4:30 pm to assist you. Please note for your convenience, arrival and dismissal times are very high traffic times for the school office. Picking up or submitting required documents at this time may result in longer wait times.

## Enrollment

To enroll a student in the Issaquah School District, go directly to the school with records indicating your address, the child's immunization records, date of birth and any other current school information you have available. If you do not have current school records with you, they can be sent for after you have signed a release form in the school office. Secretaries are in the schools to register students into June (check with your school for schedules) and return to schools in mid-August.

### Open Enrollment

The open enrollment process begins February 1 each school year. For more information on open enrollment, please visit the [Open Enrollment and Transfers webpage](#).

**For Kindergarten registration information please click here.**

### Learning by Choice

A guide outlining various enrollment options for parents/guardians and students is available on the [Office of the Superintendent of Public Instruction \(OSPI\) website](#). We are notifying you, as required in state statute.

# SCHOOL AGE CARE SERVING K-5 STUDENTS

The Before and After School Care Program (BASC) provides a positive environment for children to grow socially, emotionally, and intellectually under the guidance of our well-trained team. We offer diverse activities to meet the interests and skill levels of our participants, including STEM, cooperative games, community service learning, art, and cooking.

During out of school time, children will be able to access many areas of our schools, including the gym, playground, and multi-purpose room. In addition to our well stocked club rooms, we provide a designated homework time, morning and afternoon snacks, family nights, enrichment activities, school break care, and summer day camps.
