Memory Project

The Memory Project is a non-profit charity that encourages art students to create portraits of children facing challenges in their lives. The purpose of the charity is to make the children feel loved and valued. This year our students drew portraits of children who live in Honduras. The drawings will be hand delivered by the Memory Project Organization to the children along with a picture of who created the drawings.

There will be a Silent Auction for visitors to buy student artwork in the Lobby. All proceeds will go to the Memory Project for next year. The bidding starts at 6:45 pm and ends at 8:30 pm. All art pieces can be paid for by cash or checks made payable to GCCS.
