

HELP FEEDING HORSES BEFORE AND AFTER SCHOOL. The owner of a small ranch near Spur Cross is seeking a student who can come by to feed three horses in the morning and the afternoon/evening. No other work is involved. There is a groundkeeper who attends to the stable. Experience with horses is preferred, but someone interested in learning will be considered. This job is only until the horses leave for the mountain ranch in May. Send an indication of interest to Lyn at syndactics@aol.com.
