

Good evening Jamestown Middle School Families. This is Dr. Vernon with a few important reminders for the upcoming week.

This Thursday is the last day of the second quarter. Friday will be a teacher workday. This means that there will be no school for students on Friday.

We will continue with mid-year assessments this week. 8th grade and Math 1 students will take their math interim assessment this coming Monday. Remember that students will use their laptops to take the assessments. It is important that students have their laptops and that they are fully charged each day.

Yearbooks are now on sale. I have attached a flyer to this week's weekly email with more information.

Please mark February 16 on your calendars. That evening we will host our annual winter student-led conference night and student staff basketball game. More information will be coming soon.

The basketball teams will play at home against Northern Middle on Monday and at Southeast Middle on Thursday. Wrestling will have a match at Northern Monday and at home against Southeast Middle on Thursday.

We are looking forward to another wonderful week at JMS.

Go Tigers!
