Good evening Jamestown Middle School Families. This is Dr. Vernon with a few important reminders for the upcoming week.

There is no school this Thursday in observance of the Veteran's Day holiday.

Monday and Tuesday, November  $22^{nd}$  and  $23^{rd}$  are now remote learning days. Students will log into Canvas and use this time to make up any missing work or get ahead on assignments and projects. There will be no live instruction on those days.

Picture make up day is this coming Monday. Students were given an opportunity to sign up for retakes this afternoon. They will have another chance to sign up in their homeroom on Monday morning.

6<sup>th</sup> and 7<sup>th</sup> graders will take their math interim assessments on Tuesday and Wednesday of this week.

Guilford Apprenticeship Partners is hosting a free community event at the Greensboro Coliseum on Tuesday, November 16<sup>th</sup> from 5:00 until 8:00 PM. This is a terrific opportunity for our 8<sup>th</sup> grade students to learn more about apprenticeship opportunities in high school. I have included a link in this week's email update with more information. We will also post information on our webpage and social media sites. Click Here

There are no sporting events scheduled for this coming week.

We are looking forward to another wonderful week at JMS.

Go Tigers!
