

Good Evening Jamestown Middle School Families. This is Dr. Vernon with a few important reminders about the upcoming week.

There will be no school tomorrow through Friday in observance of the Thanksgiving Day holiday. I hope that you will take some time consider all that we have to be grateful for. Don't forget that gratefulness is a choice. I hope that you will chose to be grateful.

Next Monday, students will switch back to their B Day encore classes.

Interim reports have been moved to Monday December 7<sup>th</sup>. Don't forget that you can check progress at any time using the Parent Portal feature of Power School.

Next week will be a remote learning week for all GCS schools and grade levels. This includes our teachers and office staff. We will still be answering the phones during normal business hours to assist you. Meals will not be distributed at JMS but will be available curbside at Jamestown Elementary School, Triangle Lake Elementary, and Ragsdale High School from 11-12 each day.

Next week, we will also begin to verify your preferences for returning to school. We began this process a couple of weeks ago and need to verify your choices since a few things have changed in that time. The options were to return to face to face instruction when schools open or to remain remote here at JMS. If your preference has changed, please contact the school office at 336-819-2100 to let us know.

You can continue to find all details about school reopening at [www.gcsnc.com/reopening](http://www.gcsnc.com/reopening). This information can also be found under the School Reopening tab on our school website.

Well, we're looking forward to another wonderful week at JMS!

Go Tigers!
