

Good Evening Jamestown Middle School Families. This is Dr. Vernon calling with some important information.

As we prepare to bring students back to our classrooms for in-person learning, we want to make sure we understand your plans and preferences, recognizing that these might have changed during the past two months.

We have heard, for example, that some parents might prefer to continue remote learning but do not want to register for one of the district's new virtual schools. We have not offered this option due to staffing constraints. Filling out the preference form (see below) will help us better plan for re-opening and determine if we have the appropriate staffing to operate a remote learning option at individual schools. Please submit a form by each of your elementary and/or middle school children no later than **Noon on Friday, October 2nd**. Thank you for your assistance. The link can be found on our school website and social media accounts.

Here's the link: [Parent Preference Form](#)

As a reminder, we are asking all parents to fill out a transportation preference form by **5 p.m. on Thursday, Oct. 1st**, indicating whether or not you need transportation. This form can be found on our website and at www.gcsnc.com/reopening, along with many other important documents. If you are able, please consider alternate ways to transport your child to school. Don't forget that we have also added a School Reopening tab to our school website.

Here's the link: [Transportation Form](#).

Our teachers will also send out these links to their parent contact groups.

Well, we're looking forward to a wonderful rest of the week at JMS!

Go Tigers!
