

Good Evening Jamestown Middle School Families. This is Dr. Vernon with a few important reminders about the upcoming week.

There will be no school on Monday, September 7th in observance of the Labor Day holiday. Don't forget that the daily schedule for students will change after we return on September 8th. There is a slight change from the original schedule that was sent out. Your child's homeroom teacher will post information about the adjustment.

We will have a drive by math materials distribution next Friday. I will send out more information next week.

Don't forget that students should log into Canvas each day. There are daily assignments as well as live sessions with teachers. Students are expected to attend all live sessions. If your child is unable to attend a live session, recordings will be posted on their teacher's Canvas page.

Meals are available to all of our students free of charge. You can drive by the front of the school daily from 11-12 to pick up prepackaged breakfast and lunch. Also, if you have not filled out the lunch application, please do so as soon as possible by going to www.lunchapplication.com. This link will also be posted on our website.

I also want to encourage you to join the PTA. We will be posting an online link for you to join on our website as well as all of our social media outlets.

Well, we're looking forward to another wonderful week at JMS!

Go Tigers!
