

Good evening Jamestown Middle School Families. This is Dr. Vernon with a few important reminders.

We had a terrific first week back from the break. As we close out the first semester and prepare for the second half of the year, I know that we can continue with our terrific start. You can help by making sure that your child is here at school each day and on time ready to learn. As a reminder, students are counted tardy at 8:05.

We will have our second interim assessment of the year this week. 8th grade will take the science assessment on Tuesday and all students will assess in reading and math on Wednesday and Thursday.

Don't forget that Friday is the last day of the second quarter. Encourage your child to talk with their teacher about how they can strengthen their second quarter success.

We will have basketball games at home against Mendenhall Middle on Monday and at Southwest Middle on Thursday. Wrestling will have a match at Mendenhall on Monday.

Well, we are looking forward to another wonderful week at JMS!

Go Tigers!
