

Good evening Jamestown Middle School Families. This is Dr. Vernon with a few important reminders for the upcoming week.

We have several items, including coats and jackets in our lost and found. If your student is missing something, please encourage them to check lost and found this week. All lost and found items will no longer be at the school after this coming Friday.

The first PTSA newsletter of the year is available. It can be found on our school website and is attached to this week's weekly email update.

I am also excited to announce that GCS has released our facilities master plan. While the plan contains only minor repairs here at JMS, it does contain some very bold and exciting plans for many of our GCS schools and communities. For more information, I have attached a flier to our weekly email update. Even more information is available on the GCS website at [gcsnc.com](http://gcsnc.com).

Our basketball teams and cheerleaders will be at home on Monday against Penn Griffin and at home on Thursday against Northern. Wrestling will have a match at Northern on Thursday.

We are looking forward to another wonderful week at JMS.

Go Tigers!
