

Good evening, Kiser Families! This is principal Merrie Conaway and we are so excited to welcome your family back to school this Monday, August 26, 2024! Please take a look at the Tiger Times that is available on Facebook and attached to the connect ed email. This week's Tiger Times has information about arrival and dismissal, schedule change procedures, PTA, and how-to videos for our school scanners and car rider line. Please know that the first days of school are the last days of summer and our HVAC system may struggle to keep the building as cool as we'd like. Students should wear layers and bring water to stay comfortable in the event that our AC isn't working in parts of the building. Also, GCS transportation is working hard to get students to and from school in a timely manner. Buses may be late during the first few days. Please understand that this is normal and will be worked out within the first few weeks. We look forward to seeing your family on Monday between 8:00 – 8:20 for the start of our best year ever! Have a great evening!
