

Good evening, Tigers this is Mr. W, principal of Kiser Middle School, with some important updates for the upcoming week.

Parents, please take a few minutes and read an important letter attached from Mrs. Hailey, Kiser's Health Educator, as she will be offering parent curriculum preview opportunities on Thursday, December 1st before students in all grades begin their health units on Reproductive Health and Safety Education/Family Life during PE. Students will begin health classes on or around December 4th.

Are you a Kiser Band parent or caregiver? Consider joining the Kiser Band Boosters as a way to connect with other band families and support the band program. Click [HERE](#) to join. After completing the google form, you will be asked to submit membership dues of \$7.75 by PayPal or check. Also, consider joining the Kiser Family Remind group by texting @kmsbandboo to 81010. The Remind group will announce upcoming meetings, volunteer opportunities, and more! Have questions? Email kisermiddleband@gmail.com for answers!

Note from Mrs. Ingram: Attention 8th Grade Parents/Students

- If your child is interested in learning more about the Early or Middle Colleges, IB Program, Weaver Academy of Performing Arts or any of the CTE Signature Academies, please have them sign up to come to one of my Lunch and Learn sessions on Friday, December 1st or December 8th at 11:30am in the Media Center. The two sessions are the same so they should only sign up for one.
- Please note these Lunch and Learns are for students. I will host a parent session in late December/Early January (date to be announced)
- This session is not for general high school questions. I will host those sessions in February/March.
- Students should use the link below to sign up! This link is also posted on my Canvas page under announcements. Students who sign up will receive a pass to attend the session, the day before. If these two sessions fill up, I will host a third one. <https://www.signupgenius.com/go/70A0F4BADAD29A75-46290348-high>

Looking forward to working with your students as they prepare for high school!
