

Good evening Tigers this is Mr. W, principal of Kiser Middle School, with several announcements for the upcoming week.

Monday, May 29th is Memorial Day Holiday, and the school and office will be closed in observance.

A reminder that we will be testing this week. It is important for all students to be on time for school on Wednesday, Thursday, and Friday. Once we have started the testing session any student who comes to school late will have to take their EOG/EOC assessment on the make-up day. Please encourage your student to get plenty of rest, and eat a healthy breakfast prior to testing so they are prepared to do their best work this coming week. Finally, there are no electronic devices except for school Chromebook allowed during the testing session including smart watches and phones. Students will need to be prepared to turn in their device to their teacher prior to the testing session beginning each day.

8th Grade families, please take a few minutes to read through the 8th Grade Promotion Celebration Letter for details and information on how we plan to celebrate our 8th grade students at the end of the year!!

The school leadership team is looking for parent nominations for the upcoming school year for anyone interested in serving on this committee. Please take a moment and submit a nomination for a parent representative for our leadership team: <https://forms.office.com/r/Phu5dFtjTL>

Families, please take some time and review the GCS Summer Virtual Math Flyer to which has all the various opportunities for students throughout the summer.

6th Grade rising 7th grade parents, please be sure to submit your student's immunization information. All rising 7th grade students are required to provide Tdap and MCV immunization information by the 30th day of the 2023-2024 school year.
