

## March 12<sup>th</sup> Announcements

Good evening Tigers this is Mr. W, principal of Kiser Middle School, with several announcements for the upcoming week.

All students need to have their OneCards in order to scan into the building each day. Thank you to all those students who have had their cards each day. Students who do not have their OneCard will be manually signed in, and those who need to purchase a new OneCard should bring \$5

First, please join me in recognizing and celebrating our 2022-2023 Kiser Teacher of the Year, Mrs. Louis! Mrs. Louis is one of our CTE Encore teachers and does an outstanding job each day with our students. Congratulations to Mrs. Louis, and we wish her good luck as she moves on to represent Kiser at the district level!!

Congratulations goes out to all our students who were recognized on Friday at our quarterly character breakfast!! We had 30 students were recognized for demonstrating responsibility during the 2<sup>nd</sup> grading period!!

Middle & high school registration window closes today. All our students will need to login into PowerSchool in order to complete their course registration for the upcoming school year. Any student who has not completed registration will have the opportunity to do so with their counselor this coming week. Also, many of you have inquired about the aviation course for next year and we are still waiting for the course code from DPI in order for students to be able to select that course. If we do not have the course code by the close of the registration window, we will provide directions for how students can make that course request after the window.

6<sup>th</sup> Grade Students in AIMM or Accelerated Math will receive information about the upcoming Summer Bridge to NC Math 1 course. Please take time to read as we will continue to send information between now and the end of the school year.

6<sup>th</sup> Grade rising 7<sup>th</sup> grade parents, please be sure to submit your student's immunization information. All rising 7<sup>th</sup> grade students are required to provide Tdap and MCV immunization information by the 30<sup>th</sup> day of the 2023-2024 school year.

### Athletic Schedule and Events:
