Please plan to come during the following staggered times to meet your teachers and tour the building. Students should bring the schedule they received in the mail. Rising 7th grade students will need to make sure they have submitted documentation for the required 7th grade immunizations.

Parents, the USDA waiver for universal free lunch ended in June; therefore, for the upcoming school year all our families will need to complete a Free/Reduced Lunch Application in order to receive meal benefits. Please be sure to complete the lunch application online and the link below or complete the paper copy which will be available during Open House.

Parents, please take a few minutes and complete the Microsoft Forms survey that we will use to create our school email distribution list. Click here <https://forms.office.com/r/FPTKi4Bj3T>

Parents, we hope that you consider being a volunteer with us this year at Kiser. If you anticipate volunteering with us at Kiser, please take a few minutes and complete the Volunteer Registration here: [GCS Volunteer Registration Login \(gcsvolunteers.com\)](#)

Again, I am excited about this upcoming school year. I look forward to seeing our families and students soon. We will continue to post and send important information to help all our students successfully start the 2022-2023 school year.

Thank you, and have a great evening.
