

Good evening Tigers this is Mr. W, principal of Kiser Middle School, with several announcements for the upcoming week!

Students who plan to attend the enrichment & EOG retesting dates should plan to be at school on Tuesday, June 7th and Wednesday, June 8th. Students who attend enrichment will then retest on Thursday, June 9th and/or Friday, June 10th. These days students will attend like a regular school day from 8:20am-3:10pm and GCS transportation will be running their regular routes for students who need to attend.

I encourage students to spend a little time reading each day during the summer break. Students who read and submit the GCS Summer Reading Challenge at the end of the summer will be entered in a drawing for certain prizes. The reading log is attached to the email.

Any student who is interested in participating in a sport next school year will need to submit a physical and concussion form before tryouts or practices begin. I have attached the both forms to the email and encourage families to get your child's physical scheduled before August!!

Final report cards will be mailed home with students on Tuesday or Wednesday of next week.

We apologize for the delay in the yearbook distribution. We received the shipment on Thursday afternoon and any student who ordered a yearbook and was at school the last day should've received their yearbook. For any student who ordered a yearbook and needs to pick it up, families may come through on Tuesday, June 7th from 9-12pm at the front circle to receive their yearbook. At this time, we do not have any available for purchase.

Finally, I hope everyone has a wonderful summer break, and I wish our 8th graders well as they transition to high school and look forward to seeing our rising 7th and 8th grade students again in August!!
