

VALLEJO CITY UNIFIED SCHOOL DISTRICT

Furniture Removal Project - Elementary Phase 1

ADDENDUM #2
POSTED MARCH 6, 2025

Bid Due Date: March 13, 2025
Submit Bids To: VCUSD Operations Department
852 Rosewood Avenue, Vallejo, CA 94591

SPECIFICATIONS

The District requires the removal and disposal of all designated obsolete furniture from the sites specified below, which removal and disposal must include the packaging of the furniture (as needed), complete outbound loading operations, transportation of the furniture, and delivery to and unloading of the furniture at the final recycling/disposal destination(s). Contractor shall also, as requested by the District, transport and internally relocate specified furniture that the District is not disposing of to one or more alternative, secondary District site(s) (less than approximately 6% of all furniture to be moved).

Contractor must be able to package, transport, and dispose of the types and quantities of furniture currently situated in the spaces identified in the Room List By Site document included with this bid. Contractor must use the Mandatory Pre-Bid Job Walk to identify the types and quantities of furniture to be removed for purposes of generating its Total Bid Price for the work. **Contractor shall implement environmental sustainability and cost-saving measures to determine the ultimate recycling and/or disposal location(s) of each item, and those anticipated cost savings shall be reflected in the Bid Quotation Sheet, as applicable.**

Contractor must guarantee that all furniture and associated waste will be completely removed from the designated sites in conformity with the Schedule included in the Information to Bidders to ensure completion prior to the delivery and installation of the new furniture, all of which must take place before the commencement of instruction for the 2025-2026 school year.
