Assess and evaluate school improvement goals:

Assess new goals for 2020-2021 school year:

- Due to school going virtual in March because of the pandemic for discipline we will use the goals that were established for the 2019-2020 school year. This was based off the data from the 2018-2019 school year.
- Culture and Climate goal will be going up 5%. 55% to 60% for the 2020-2021 school year
- The other goals will be staying the same for the 2020-2021 school year

Assess and evaluate Action Items:

If actions were past due DiCostanzo will send email for you to provide evidence proving action is complete. This evidence needs to be submitted to her by 1pm on Thursday, October 8th

Add blended learning action items to certain indicators, assess priority levels and Evaluate action dates:
