Notes: During the SIT meeting we are going over the staffing plan of next year.

School Improvement Plan:

<p>-We are looking at the data and numbers for moving staff for next year.</p> <p>-We have 32 classroom teachers, 1 math coach, 1 curriculum facilitator. According to Title 1 funding, we are wanting to add one more math coach to provide support for our staff and students.</p> <p>-Ms. Virost is asking for one Teacher Assistant (three of them) for each grade and 4th and 5th grade in combining a Teacher Assistant to cut down on using Kindergarten Teacher Assistants as subs. Ms. Daniels mentioned they will discuss the situation, but it will cut down on our funding and we will be adding one more math coach to help support for our teachers and students.</p> <p>- All SIT members supported the Title 1 funding of using the funding to purchase another math coach.</p> <p>-Ms. Turner asked about what will be the math coach duties, will they be pulling RIME students to help teachers.</p> <p>-Ms. Daniels mentioned this can be a possibly for the extra support for teachers. We will be looking for additional feedback from all teachers about this.</p> <p>-Ms. Virost mentioned about getting training for specialists for curriculum when they are supporting teachers.</p> <p>-Ms. Wade mentioned about summer professional development for all specialists to attend to get training.</p> <p>Meeting adjourn at 3:05pm.</p>
