### **I. Black History Museum**

- K-1 shared the way that they are adapting the Black History Month project for their grade levels.

### **II. Valentine's Dance**

- The dance was a great success. We made \$870.
- We still had students who ran. This is something that we will continue to reinforce proper behavior during a dance.
  - Teachers were positioned around the gym to stop runners.

### **III. New Cleaning Crew**

- A new company will start Monday, February 12.
- This issue was brought up to Dr. Contreras at her meeting with teachers.
- It will take a while for the new crew to bring the school back to an acceptable level, so please be patient.

### **IV. Read Across America Parade – Dr. Suess's Birthday**

- Students dress up as a book character. It does not have to be a Dr. Suess book.
- Students will have to have the book in which their character appears.
  - Students could have a sign depicting the cover of the book with the title, author and an illustration if they have already returned the book to the library.
- Two teachers take the students on the grade level who are dressed.
- The other teachers and specialists will stay in the main hallway and monitor students who are not dressed as a character.
- Students need to be prepared to wear the costume all day, so it must be comfortable.
- The parade is scheduled for Friday, March 2 at 8:45.
- A flyer will be created for students to take home with the criteria on Thursday, February 15.

### **V. Review of Indicators**
