School Updates:

- 460 Students are currently registered at Simkins Elementary
- 77 students that have not registered yet
- 106 students that have enrolled in the virtual academy.

- There are still a few new staff members that are experiencing conflict with district PD.
- The Staff meeting on Wednesday Aug. 12th will address reviewing safety protocols for the building. Staff should report to the building to help establish good safety protocol routines before students return.

- All tables and shelves need to be moved from each classroom. Ms. Amanda may need assistance from staff.
- It is encouraged to check out Ms. Lode's classroom from last year to get an idea of how rooms will be set up once students are back in person.
- It is ok if grade levels plan together within one room if there are less than 10 people. Please remember social distancing. Masks should be worn outside of your classroom.
- The district has confirmed that Microsoft Teams, Skype, and CANVAS as appropriate avenues for virtual instruction. Zoom should not be used for instruction.
- Board is voting on AP for Simkins today.
- District is working on providing a 1:1 device ratio county wide.
