**SECTION THREE: ALTERNATES.** Select a minimum of 5 separate semester-long alternate electives (no yearlong classes). Alternate selections must be different from elective selections chosen in Section Two. Counselors will place students into alternates based on space availability if none are selected by the student in section three.

 <b>SECTION THREE: Alternates</b> <b>Write in your five alternate choices below</b>	<b>Course ID:</b>
Alt 1:	
Alt 2:	
Alt 3:	
Alt 4:	
Alt 5:	

**SECTION FOUR: REGISTER ONLINE IN SYNERGY.** Remember to enter your course requests in Synergy. You can check the accuracy of the requests by noting **12** boxes/entries entered with the **total credits = 6**. A yearlong class counts as 2 selections – e.g. Challenge English 7 should have 2 entries (ENG750A & ENG750B) and a semester class will be 1 selection only. Alternate elective requests will have an additional 5 entries. Once entered, course requests will automatically be saved.

Be advised that some semester electives may not be offered if sign-ups are not adequate or staffing is not available. LMS cannot guarantee that a student will receive any particular elective request. Courses entered by student and family in StudentVUE by the end of the registration period will be considered final.

**Change requests will only be considered for:**

- 1. Wrong placement (incorrect level or duplicate course)**
- 2. Medical reason**
- 3. Incomplete schedule**
