

LPSD COVID/FLU PROTOCOL

Process for Positive Cases

We have adopted the following plan of action for absenteeism and leave that is directly related to COVID/FLU for the 2024-2025 school year.

Steps To Take If:

A Student or Faculty Member Tests Positive for COVID/FLU

1. If you test positive for COVID/FLU you should immediately contact your building administration and school nurse.
2. Building administrators will notify building custodians to clean deep the area where the student/faculty had been in the past 24 hours.
3. Student/faculty may return to school once symptoms such as fever, vomiting, and diarrhea are absent for 24 hours without **MEDICATION**.
