WHAT ARE MEDICAL PROFESSIONS?

ASU-Beebe's Medical Professions Education program is designed to help **YOU** gain the skills and knowledge needed to succeed in the healthcare community. You'll gain entry-level knowledge of a variety of health occupations, such as nursing, pharmacy tech, emergency response, physical therapy, and medical laboratory, and you'll receive practical and clinical experience through simulated healthcare settings.

Skills you'll learn:

- Blood pressure, blood sugar, temperature, pulse, and respiration checks
- CPR and first aid
- Sterilization techniques
- Assisting physicians and basic exams
- Patient care - positioning, turning, moving, and transferring

HIGH SCHOOL CURRICULUM
