HIGH SCHOOL PLUS

Things to Know

WHAT IS HIGH SCHOOL PLUS (DUAL CREDIT)?

High School Plus (dual credit) is high school courses taught during the high school day by a high school teacher that have been certified for college credit by Camden County College faculty members.

ARE STUDENTS THAT PARTICIPATE REQUIRED TO ATTEND CAMDEN COUNTY COLLEGE?

Students that participate in High School Plus are not required to attend Camden County College when they graduate high school.

WHAT HIGH SCHOOL COURSES RECEIVE DUAL CREDIT?

In order to be eligible for dual credit, a student must be in the Camden County College approved high school course with the approved high school teacher.

WHEN CAN A STUDENT REGISTER FOR THESE COURSES?

Registration typically takes place twice per year, October and January. Students can register for courses during both time periods and do not need to register for all classes during the first registration period.

WHAT FORM OF PAYMENT CAN A STUDENT USE FOR THE COURSES?

Courses can be paid by check (made out to Camden County College)

HOW CAN A COURSE BE TRANSFERRED TO ANOTHER COLLEGE OR UNIVERSITY?

Students successfully completing a High School Plus course will have that course and grade appear on a Camden County College official transcript.

WHAT IS THE MINIMUM GRADE REQUIREMENT FOR EACH DUAL CREDIT COURSE?

Students can receive a grade of A, B, C or Audit on their college transcript. In order to get college credit, most courses require that a student's final high school grade is a "B" or better, while some departments allow for a student to get a "C" or higher. Student's that don't meet the approved grading criteria will receive an Audit on their transcript.

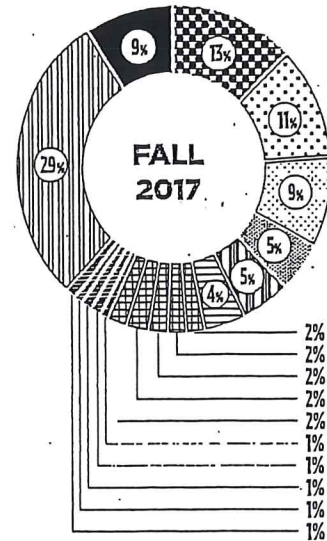

WHY SHOULD A STUDENT SIGN UP FOR DUAL CREDIT IF THE COURSE IS AP?

In order for a student to receive college credit through an AP course, students are required to take the AP exam for that subject area and then send their score to their college/university to determine if they will receive credit. By signing up for dual credit, students will receive a letter grade on a Camden County College transcript. The student would then send the transcript to their college/university to have it evaluated for credit.

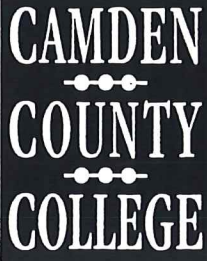

WILL THE CREDITS TRANSFER IF A STUDENT DOES NOT ATTEND CAMDEN COUNTY COLLEGE?

Camden County College cannot absolutely guarantee the transferability of its credits to another institution. Ultimately, transferability is up to each institution from which the student is seeking credit and any questions should be directed to that institution.

Dear Parent/Guardian:

We are delighted that your son/daughter has decided to participate in the Camden County College – High School Plus Program. This program enables academically talented high school students to receive both high school and college credit for certified high school courses. Upon graduation, students may choose to come to Camden County College OR may transfer their credits to a four-year school. However, it should be understood that no college, including Camden County College, can absolutely guarantee the transferability of its credits to another institution. It is ultimately up to each institution from which the student is seeking credit and any questions should be directed to that institution.

To register, complete the application/registration form by circling the Camden County College course(s) in which your child wishes to enroll. Then, the student and the parent/guardian must sign acknowledgment of the 'Required Statement'. Include a check payable to Camden County College for the appropriate fee based on the number of registered courses (Fee = \$150.00 per course).
