

NEGOTIATING COMMITTEE FOR CERTIFICATED PERSONNEL

The President of the Board shall appoint a committee to negotiate with certificated personnel recognized through a collective bargaining agreement with the board. While it has the duty and responsibility to negotiate with the certificated school employees of the Lafayette School Corporation, the committee does not have the authority to act unilaterally on behalf of the board. The committee's function is to evaluate and recommend to the board the items under negotiation as permitted under the Indiana code. The board, in its entirety, reserves the right to accept, reject, modify, and otherwise change the recommendations of this committee, and has the final authority over this committee by majority vote.
