

MONTHLY MUSTANG

MARCH 2024

Reflection on Gratitude and Growth

Realizing that we are completing the third quarter of our school year this month, on March 14, I want to take this opportunity to share a sincere "thank you" for your continued efforts in supporting everything we do at Metairie Academy. During the next two weeks, we will continue to "Monitor our Mustangs," indicating how we are growing and where we need more refined efforts. Your cooperation in both academic and behavioral progress for our students is appreciated and I welcome your feedback. We depend on this important partnership in keeping our outstanding educational community STRONG!

When you have questions, remember to communicate with your child, the teachers and staff, & me to BEST support your Mustang. If you feel the need to discuss your child's progress, please schedule an appointment for a conference*. Email the teacher and/or call the office at 833-5539.

*If you would like an appointment on March dates (March 19-20-21-JPS calendar dates), please contact the teacher via email and/or a phone call to the office. We ask that you schedule a conference if there is a concern you would like to discuss. Report Cards will be sent home on Tuesday, March 18
