Curriculum Committee Meeting
Wednesday, March 10, 2010
6:00 p.m.

- I. Grade 7 & 8 adv. Math student elective/schedule proposals Dr. Brewer
Two proposals will be presented by Dr. Brewer modifying the previously presented proposal that would have eliminated fine and practical arts at the 7th & 8th grade levels. Both new proposals present ways to reinstate these courses.
- II. Elementary instructional day proposal Mr. Hoffman & Mrs. Feyers
Attempting to cover all the necessary items required during the elementary school day is demanding and in some cases impossible. This proposal seeks to expand the elementary instructional day within the current day with only a slight modification to starting/stopping times.
- III. Elementary concert proposal Mr. Hoffman, Mrs. Feyers & Mrs. Bleacher
- IV. Elementary summer reading proposal Ms. Westley – elementary librarian
The proposal is to create a summer reading program for students (K-1)
- V. Kindergarten age/date entry proposal Mrs. Feyers
All districts in Berks County have an established date for children to become age 5 and enter kindergarten. Our district uses “the first day of the school year” for the cut-off date. The proposal is to establish a date used each year for consistency.
