Dear Baylis Families,

March is "Music and Art in Our Schools Month." The Baylis family will be celebrating the importance of music and art education all month long. We are grateful to give students the opportunity to participate in music and art studies throughout the year. During "Music and Art in our Schools Month," students will be paying extra attention to the presence and impact of music and art in schools, as well as in their daily lives.

We have many exciting activities planned throughout the month. Here are the highlights.

- Trivia Tuesdays during morning announcements led by our Music and Art Team.
- Teachers will lead their class on a Music and Art Symbol School-Wide Scavenger Hunt.
- Walking with Music Wednesdays featuring student musical performances during the lunch and recess periods.
- Karaoke Sing-Along Fridays featuring Baylis Families Top Ten List.
- As a culminating event everyone is invited to wear their favorite music or art themed t-shirt on Friday, March 28<sup>th</sup>

We appreciate your support and encourage all to participate.

"Where words fail, music speaks." - Hans Christian Andersen

"Creativity takes courage." – Henri Matisse

Sincerely,

Clara Y. Kang
