Wooster City Schools is committed to balancing fiscal responsibility while keeping facilities functional for our students and staff. The district has invested \$158,394.53 worth of repairs and supplies into the Cornerstone Elementary building from Fiscal Years 2022-2025. A total of \$93,200.91 has been invested in the building in FY25 alone. A list of repairs made to the building in FY25 is shown to the right. The chart below shows the total spending per year since FY22.

TOTAL SPENDING
 FY22-25 **\$158,394.53**

SPENDING BY YEAR
