• Registration Process –

- Summer 2025 registration is progressing smoothly, with rosters already received. As the process moves forward, registration for summer 25 opened February 26th allowing students to secure their spots for the upcoming term.

• Academic Monitoring and Progress Reporting –

- Spring 2025 1st 8-Week Progress Reporting Period – 02/09-02/24/25
- Spring 2025 16-Week Progress Reporting Period 1 – 02/16-3/03/25
- Spring 2025 16-Week Progress Reporting Period 1 – 03/30-4/14/25

• Student Needs/Concerns/Celebrations –

- No student needs at this time
- Students who took the TSI test last week and passed were celebrating their success with the counselors. That's ALWAYS a reason to celebrate.

- **Educational Partnerships Updates –**

- Spring break is right around the corner, from March 10th to March 14th! As a reminder, the next site team meeting will be on March 26th.
- Partners are encouraged to continue reaching out with any needs or requests to ensure they are processed in a timely manner.

- **Success Coach Updates –**

- No updates at this time

- **High School Updates –**

- The Manufacturing and Mechatronics program currently has six students enrolled (CO28), with one student facing challenges in an Electro-Mechanical course. The upcoming Class of 2029 has three students who have marked Electro-Mechanical as their first choice. Ms. Audrey Smallwood shared that they would conduct another round of recruitment with the hope of enrolling additional students to sustain the program. Mr. Kevin Massey highlighted that Electro-Mechanical is a high-demand field with a competitive starting salary, presenting a great opportunity for South Garland students.
- Jennifer shared that the original proposal from the School of MIT, which suggested that juniors take classes in the summer or on Fridays, is neither feasible nor preferred by students and parents. She also stated that she would follow up with Mr. Ojeda regarding whether juniors could still attend Eastfield during their senior year even without completing their junior-year courses
- Jennifer shared that South Garland has decided to proceed with a new Gen-Tech model for the students interested in the Automotive program for the Classes of 2027, 2028, and 2029. She also mentioned that she is awaiting an update from Carlos Ojeda regarding the current CO2026 cohort and what their program completion will look like.
- Garland ISD Spring break 3/17-3/21/2025

- **Upcoming Events and Important Dates –**

- Last Day to Drop Spring 2025 1st 8-Week Courses – 02/27/25
- Dallas College Spring Break – 3/10/2025-3/14/2025
- 2nd 8-Week Courses begin 3/24/2025
