NES Families,

Summer is on its way, and the Bridges team is excited to welcome your child for another season of fun, learning, and adventure! This year, we're embracing the great outdoors with our theme, **Summer Unplugged: Summer Camping Old School!**

Get ready for a summer filled with hands-on exploration, teamwork, and classic camp-style activities, all while reinforcing essential math and literacy skills. Each day will be filled with opportunities for students to explore, create, and connect, whether they're diving into hands-on learning in the morning or setting off on exciting summer adventures in the afternoon. Each week will offer something new, with big group adventures, trips to the pool or river, and plenty of surprises to keep the excitement going!

With a team of dedicated educators from our school and neighboring communities, we're committed to making this summer both meaningful and memorable. Our goal is to keep kids engaged, active, and excited to learn, all while enjoying the simple joys of summer.

We can't wait to share this experience with your child and look forward to an incredible season ahead!

Sincerely,
The CVSU Afterschool Team

David Munson - Program Coordinator ~ dmunson@cvsu.org ~ (802) 455-8810

SUMMER BRIDGES

1 Fun with your Friends

Going to miss your school friends? How about spending the summer having fun together at Bridges?

2 Learning, Summer Style

Don't let your learning slip away! Keep it up all summer long with your Bridges teachers by your side.

3 Arts and Crafts Galore

Get creative and see what you can make... maybe a tie-dye shirt, and definitely plenty of bracelets to share!

4 Explore the Great Outdoors

Trust us, we'll be spending plenty of time outdoors, from nature hikes to bug hunting and so much more!

5 Green Thumbs

Help care for the NES gardens: pruning, watering, and harvesting to keep our school blooming with beauty.

6 Cook it up

Put on your chef's hat and step into the kitchen, turning fresh ingredients into delicious, healthy treats.

7 Pool Trips

Beat the heat with weekly trips to the town pool, swimming, splashing, and soaking up the fun!

8 River Days

On special days, we might just ditch the plans and head down to the Dog River for a refreshing swim!

Here are answers to some frequently asked questions about the Summer Bridges program:

Who can attend Summer Bridges?

Students entering 1st through 5th grade in the following school year are eligible.

We are unable to accept preschoolers or students entering kindergarten. 6th graders must enroll at NMHS.

What are the program dates?

For Summer 2025, the program will run weekdays from **July 7 – August 8** (5 weeks).

When does enrollment open?

Enrollment for Summer 2025 is now open and will remain open until all spots are filled (typically by late April).

What are the program hours?

- **Regular program hours:** 8:30 AM – 3:00 PM (Monday–Friday)
- **Optional early care:** 8:00 AM – 8:30 AM
- **Optional after care:** 3:00 PM – 5:00 PM

Are meals provided?

Yes! The Abbey Group provides both **breakfast and lunch** to all students, **free of charge**.

How much does the program cost?

Our program operates on a **pay-what-you-can model** – no child will be turned away due to inability to pay. Suggested weekly contributions (for full-day attendance with early and aftercare included) are based on a self-selected tier and are shown below:

- **Tier 3:** \$55/week
- **Tier 2:** \$125/week
- **Tier 1:** \$225/week

What does a typical day look like?

- **Mornings:** Academic enrichment activities designed to prevent summer learning loss, led by licensed teachers and experienced educators. These activities are hands-on and often take students beyond the classroom setting.
- **Afternoons:** Mixed-grade groups engage in traditional camp activities that students select at the beginning of each week. Options include cooking, outdoor exploration, field games, arts and crafts, and more.
- **Weekly trips:** Students visit the town pool or Dog River Park once or twice a week.
- **Academic Intervention:** If your child is recommended for summer academic intervention, we will coordinate with the intervention team to ensure they receive those services while attending Bridges.
