Concert Band:

Congratulations to the High School Concert Band for earning a I (one) Superior rating at the Ohio Music Education Association Large Group Band Adjudicated Event held Friday at Sylvania Southview High School. Amid illnesses and moving up a class from last year, they were able to earn all Superior ratings. This rating qualifies the Band for OMEA state competition on April 26th at Findlay High School.

Pemberville Pool:

Pemberville Community Pool is looking for lifeguards and concession stand workers for the 2025 pool season. If you are interested in working, informational handouts and applications are available in the office.

Science Research Opportunity:

BGSU is hosting a science research opportunity for students this summer from May 30 to July 10. Students will earn a \$1000 stipend for participating in the six-week program. This is an opportunity to assist with cutting-edge research in a chemistry, biochemistry, or physics lab on BGSU campus. Applications are due March 31—find all of the details at www.bgsu.edu/picnics. See Mr. Hover if you have any questions.
