PRINCIPAL'S PERSPECTIVE

Good afternoon, Bulldog Family!

The Pride of Millsap has done it again! Our incredible band took the stage at UIL Concert and Sight Reading and delivered a performance worthy of the highest honor. For the 7th consecutive year, they're brought home the Sweepstakes Trophy! Their dedication, talent, and hard work continue to make Millsap proud. Bravo, Bulldogs! Millsap was the ONLY 3A band to earn Sweepstakes at the competition last week!!!

Our girls powerlifters are headed to the state meet this week. They compete on Thursday, and I can't wait to report their successes! Weston Porter was the regional champion in his weight class for men's powerlifting, and he will be headed to the state meet in Abilene on March 21.

Tennis, Golf, Softball, Baseball and Track are in full swing, and we are hosting a track meet here on Thursday of this week, and our bass fishing team is still competing as well. FFA is headed to the Houston Stock Show where we have students showing heifers, and we have other FFA students competing in the Vet Science CDE.

On Tuesday, we will be hosting the Class of 2029 Parent Meeting with 2 time options, and our teachers will be available to answer questions about programs of study and courses within each department.

As always, Proud to be a Bulldog!

Lisa Deaver, MHS Principal

SENIOR SPOTLIGHT - SADIE HARTMAN

This is the first in the Senior Spotlight Series. This week, we are spotlighting Sadie Hartman. Sadie's MISD experience has been extensive and varied. Check out what she had to say in a recent interview.

- **How long have you been a student in Millsap ISD?** I've been in Millsap ISD for 14 years. I have friends through sports, other teams that we play, and youth group where we have about about 10 schools represented. Interestingly, as we all talk, I've noticed that there are a lot of similarities regarding all schools, and it's not as different between public and private as people think.
- **What do you most enjoy about school?** Relationships are what I love most. It's not just the friendships, I mean my best friend is here, but it's also the teachers. Many of those relationships are special and enduring. People here pour into students and want the best for them.
- **Who has been most influential in your life and why?** My dad has been the most influential in my life, both spiritually and overall. He has pushed me to be my best self and get out of my comfort zone. At school, I would say that would have to be Mrs. Schnabel. She was so supportive through my diagnosis, and she continues to check on me, inside and outside of school.
- **If you could give advice to your younger self, what would you say?** Enjoy the little things because high school goes by so fast. There were nights where I didn't go to a game or event because I thought I needed to study or do homework. While academics is important, it's ok to go and do and enjoy the little things. Don't overthink it.
- **In what all clubs, activities &/or programs of study have you been involved, and how has it positively impacted your time here at Millsap?** The Health Science program has been influential in determining my career path. This gave me confidence with background knowledge when I was looking at what I wanted to study in college. I feel fully prepared as I go to college to study nursing. Beta has positively impacted my life through service opportunities that I might not have been able to be a part of otherwise. It's gotten me in the community and I've loved to hear stories about Millsap from long time citizens. It's also been a motivator to keep my grades up. Volleyball & Powerlifting showed me how to push myself in hard situations, especially with my medical background. The support of my coach and teammates has truly impacted me in a positive way. FCA has given me the opportunity to freely talk about my faith with other students that I might not otherwise cross paths with because we don't have class together or are not involved in the same activities. It's given me an opportunity to get to know underclassmen too. I've gotten to lead worship at Field of Faith and prayer at See You at the Pole. Just because you're at public school, it doesn't mean you can't have Jesus in it.
- **What do you want your legacy to be at MHS?** I want my legacy at MHS to be more than doing right, academics and being a good kid. I want to be remembered as someone who showed Jesus to others when it's hard, and not being known for me, but for Him.

“Excellence is an art won by training and habituation. We do not act rightly because we have virtue or excellence, but we rather have those because we have acted rightly. We are what we repeatedly do. Excellence, then, is not an act but a habit.” – Aristotle
