## Upcoming Events

### Celebrating Black History Month

February is Black History Month, a time to celebrate the achievements and contributions of African Americans. While we focus on these stories this month, it's also an opportunity to reflect on how we can celebrate diversity year-round. Please ensure your school provides meaningful learning activities for Black History Month, and share any events or photos with our PIO, Sheetal Singh. Thank you for making this month impactful for all students.

**Special screening of the musical play Crowns on Friday, February 14th (non school day).** The Santa Clara County of Alliance of Black Educators, in partnership with Tabia African American Theatre Ensemble, is proud to present Crowns on Friday, February 14th at 10:30 am. SCCABE is offering our district 40 seats for the play, and the deadline to respond with our student count is February 1, 2025. 3-4 Counselors have agreed to chaperone the event (the bus departs and arrives back to Davis).
