

2025 Wayzata Track and Field Compressions Short Order Form.

There are two options for competition shorts for all Wayzata track and field athletes. All team members are issued team shorts from the school, but many others prefer to wear compressions shorts instead. Especially our sprinters/jumpers/hurdlers. Many distance kids wear compressions under their team shorts. If team members prefer compression shorts, they must purchase these to keep. We have been unable to get a team rate from any local athletics stores as the Nike compression is in really low supply. We are able to get a smaller team rate BSN apparel on their BSN brand. If you want to order a BSN brand, fill out this form and bring to Mr. Berndt’s classroom during the day.

Fill out this form and bring to Coach Berndt’s classroom (C-418) with cash or check made out to Wayzata High School. (If unable to print, just write the name and size on a piece of paper) The cost is \$27.50 (retail cost is \$39.99) and are yours to keep. These can be worn for practice or meets. If athletes want to wear compressions shorts under their team issued shorts, they must be either the compression shorts issued last season or this model from this season. You can not wear other colors of compression shorts. There are pairs available to try on for sizing in room C-418.

If Athletes want to get the Nike Pro name brand like we had last season, or any other name brand, They MUST be the Royal Blue and can not have a large logo (no swoosh down the entire side. The Nike Pro in Royal Blue are \$39 on Amazon.com

BSN Brand – Will be in Blue

Nike Pro – Must be bought individually online – ROYAL BLUE

Please number how many and what size short you are purchasing for the BSN brand
XS _____ S _____ M _____ L _____ XL _____ XXL _____
