11:45 am Lunch and Playtime

12:45 pm Story / Circle time

Circle time is an important part of each day when girls enjoy activities such as reading stories, singing songs, sharing their weekend news or discussing the weather which help encourage social and self-regulation skills.

1:00 pm End of morning session

Afternoon Registration and quiet time

As the girls are full of boundless energy and are on the go from the moment they wake up, we understand the need for them to have time to rest and recharge during the day. After lunch and fresh air at playtime, we provide the girls with structured time to recharge both physically and emotionally ready for the afternoon.

1:30 pm Monday - Ballet
