 **March is Women's History Month.** Today's Women's History Month quote comes from **Kate Hodges**, when she said, **"Behind every great woman ... is another great woman."**

 **This past Saturday, 5 of your dedicated peers from the 6th and 8th grade traveled up to San Mateo to compete in the Bay Area Regional Science Olympiad.** There were 13 other teams at the competition, and despite being 10 people short, your Carmel Science Cougars placed 6th overall which is quite an accomplishment. Bianca Dyas, Sparrow Picard, Austin Lin, and Fionna Malone each earned a 2nd place medal in an event. Ryuki Sablan and Austin Lin earned a 3rd place medal in the event Metric Mastery and all five the students each earned an additional 4th place medal. Please congratulate each of these students and come join the momentum for next school year and help our team try to qualify for states in 2025-2026! **Go Cougars!**

 **Good luck to our Wrestling Team** in their first match of the season in our home gym today at 4:30pm!

 **Golf:** Weather permitting - The **B Team** practices today at Carmel Valley Ranch. The **A Team** practices tomorrow. **If you tried out for Tennis or Golf, and would now like to switch into Track and Field or Wrestling, please see Mrs. Rice in the front office by Friday.**

 **Pi Competition Day is TOMORROW!** Get ready to show off your memory skills and recite as many digits of Pi as you can. For every 12 digits, you'll earn a raffle ticket for a chance to win a delicious pie! The top scorer will claim the grand prize *and* their spot on our **Wall of Fame**. Practice tonight for this exciting Pi event!

 **Yesterday, in the 7<sup>th</sup> Grade Wiffleball Tournament of Donuts,** The ragtag, patchwork crew of the **Cheerio Eating Blue Bullfrogs** took on the **Abate Purple Minions** at Wiffler's Park and it was a nail biter! During the second inning, Andy Voigtschild hit a 2-run homer that put the Bullfrogs ahead 2-0. After the blast over the fence the bats were mostly silent on both sides of the field with defensive play at the forefront keeping the score stagnant. Leading the way in defensive alertness was Walter Grahl, who helped to keep the Minions from finding home plate throughout the entire game. The score stayed locked at 2-0 for the rest of the game allowing the Bullfrogs to advance to the next round of the playoffs. A very special shout out to **Mr. Abate's and Ms. Bump's Purple Minions** as their enthusiasm, comradery and sheer presence of 10 players was a big win in its own right. Keep up that team spirit kids; it's half the battle.

 **The first qualifying round of the Super Smash Bros Tournament wrapped up yesterday in S2.** The last match of the round proved the toughest. Rising star Jonny Nissim put a target on his back by winning a stacked Group H, forcing CMS E-Sports veteran Oliver Silverie to a surprise early exit. Round 2 begins today at lunch in S2. Check the bracket and don't miss your match! Rainy day spectators are welcome.

 **The Animal Club** meets today in Mr. Nakamura's room (S1). Come by and research all animals from past to present!

 **Books R Us Book Club** meets in the library!

 **The Knitting Club** meets in Ms. Clarke's Room C11
