

EDEN HALL UPPER ELEMENTARY

INTRODUCING...

**"LIGHTS, CAMERA, ACTION: SPOTLIGHT ON
LEARNING"**

This quarter
we are
focusing on
staying
safe
inside and
outside of the
classroom!

Greetings, EHUE Families,

It's hard to believe it's already March! Our EHUE shining stars have been busy with a variety of exciting events and learning opportunities to showcase!

As we continue to stay connected to our theme, "Lights, Camera, Action! Spotlight on Learning," inspired by Lotte's Magical Paper Puppets by Brooke Hartman, we're celebrating trailblazing women like Lotte Reiniger, who have made history. This month, we honor Lotte for her contributions and spotlight how her actions reflected the values we emphasize in our RAMS Way assemblies—being respectful, accountable, motivated, and safe. Just like Lotte, our students are striving to embody these positive behaviors each day. To further promote this spirit, our RAMS Way committee has moved on from our "Cafeteria Blitz" to now hosting a "Bus Blitz," focusing on encouraging positive behavior on the bus!

Over the past few weeks, our students have proudly spotlighted their reading journey at the Battle of the Books for grades 4, 5, and 6. This year, we had more teams register to compete than ever before! Our incredible BOB teams worked together to answer comprehension questions, and while one team was ultimately crowned as the BOB winners, every team emerged victorious in fostering a love of reading. Thank you to Mrs. Shenefiel, Mrs. Strine, the EHUE staff, our PTO, and team managers for their support in planning and contributing to this amazing event!

Our students embraced Random Acts of Kindness Week by spreading kindness throughout the school, performing thoughtful acts for their peers. Each student had the chance to complete a RAK heart and add it to our EHUE Kindness Tree in the main hallway. We were so proud to see our students not only embody kindness during this special week, but also carry it forward beyond the week, making kindness a lasting part of our school community. Thank you to our PTO for helping to create this kindness tree for our school community!

The Pine-Richland High School Musical cast visited Eden Hall to give our students a sneak peek of their upcoming performance of 42nd Street. Our students were amazed by the incredible talent and energy of the PRHS performers and loved seeing the PRHS students shine on stage! We even had a few lucky winners walk away with free tickets to the show!

Read Across America week was a whirlwind of excitement here at EHUE! With daily themes, reading activities, D.E.A.R. time and guest readers, the building was buzzing with the joy of reading. We especially loved seeing everyone drop everything and read each day, as we continue to inspire a lifelong love of books and learning!

As we approach PSSA testing in April, our dedicated teams will be working closely with students to ensure they feel confident and prepared for the assessment. In preparation for the test, our teams will provide helpful testing strategies, discuss the test format, and familiarizing students with the online system to minimize any stress. PSSA testing will take place on April 22, 23, and 25 for ELA, April 28 and 29 for Math, and April 30 and May 1 for Science (Grade 5 only). We encourage all families to help their students get a good night's rest, enjoy a healthy breakfast and arrive to school on time. We are excited to see our students shine and celebrate their hard work at our annual EHUE school picnic!
