Thanks to the generosity of our PV Ed. Foundation grant and Mr. Smoker in the middle school, Manny Tarango has worked up to a 95% on his virtual Arc Welding practice.

Look closely in the VR Car Window to see Kyle Hartman at work in AutoBody Training Experience.

Also thanks to our Ed Foundation Grant for funding our learners to take part in the Interplay Pre-Apprenticeship VR program. This opened doors for our learners to participate in further training at Summers and Zims in Atglen, PA starting on 3/5/25 with their technicians for a unique First Choice Partnership.
