# AI Teammates in OVSD's Classrooms

Historical Figure:

(Select 2-3 questions to ask your Character Chatbot.)

## Basic Interview Questions:

- What was your childhood like?
- What is your greatest achievement and why?
- What challenges did you face during your lifetime?
- How did you overcome obstacles in your path?
- What advice would you give to children today?

## Deeper Thinking Questions:

- How did the time period you lived in affect your decisions?
- If you could change one thing about your time in history, what would it be?
- What would surprise you most about our world today?
- How did your actions impact future generations?
- What motivated you to make the choices you made?

## GATE-Level Critical Thinking Questions:

- How might history be different if you had made different choices?
- What connections do you see between the challenges in your time and today?
- How did your background influence your perspective on important issues?
- What would you want to be remembered for most?
- How do you think your experiences relate to modern-day situations?

## Journalism-Focused Questions:

- Can you describe a typical day in your life?
- What was the most significant moment in your journey?
- Who were the people who influenced you most?
- What was happening in society during your most important achievements?
- How did the public react to your actions or ideas?

# AIM HIGH

OVSD's Guide to Responsible  
and Innovative AI Use

## ASSESS

Does this use of AI align with our district's goals and values? Does it solve a real problem?

## INNOVATE

Does AI improve learning, efficiency, or creativity in a way that wouldn't be possible otherwise?

## MODEL

Is AI being used ethically, responsibly, and transparently?

# Next Steps & Continued Efforts

- Mindful use of AI tied to Innovation, Equity, and Integrity
- Leadership Development & Collaboration
- Professional Development & Training
- Community Engagement & Education
- Continue refining AI guidelines while educating and empowering individuals on their responsible use

**Thank you**
