March 18, 2025

To: Board of Education
From: Kristina L. Kindl, General Counsel
Subject: Student Fees and Fee Waivers

Pursuant to state law, board members must annually review and approve the governing student fee policies, procedures and fee schedules prior to April 1st. The board reviewed these documents in an open board meeting held on February 18, 2025. Additionally, the board provided the required two opportunities for public input specific to the fee schedules during the March 4th and 18th board meetings.

Having met the underlying training and notification requirements of state law, the district is requesting approval the 2025-2026 fee schedules, Board Policy S-10, and S-10: Administrative Procedures at the March 18, 2025, board meeting in order to comply with the April 1st statutory deadline.

THE POLICY

The Salt Lake City School District Board of Education ensures that a free education is provided to all district students in grades K-6. For students in grades 7-12, the board will only charge the fees authorized by state law and will make every effort to keep student fees to a minimum. When a school fee is charged, schools only recover actual costs and cannot realize any profit. Each year, the public has at least two opportunities to comment on the proposed fee schedule before its approval and adoption by the board. The district will adopt and implement fees, fee waivers, and refund procedures in accordance with state law and this policy.

The purpose of this policy is to ensure compliance with state law in the adoption and collection of student fees, to provide annual notice to students and their parents of the board-approved fee schedule and fee waiver procedures, and to prohibit practices that would exclude students who are unable to pay from participating in school-sponsored activities or create a financial burden which has a detrimental impact on a student’s participation.

The district has set forth its specific processes for implementing this board policy through the accompanying [administrative procedures](#).

No district employee or student shall be subjected to discrimination in employment or any district program or activity on the basis of age, color, disability, gender, gender identity, genetic information, national origin, pregnancy, race, religion, sex, sexual orientation, or veteran status. The district is committed to providing equal access and equal opportunity in its programs, services and employment including its policies, complaint processes, program accessibility, district facility use, accommodations and other Equal Employment Opportunity matters. The district also provides equal access to district facilities for all youth groups listed in Title 36 of the United States Code, including scouting groups. The following person has been designated to handle inquiries and complaints regarding unlawful discrimination, harassment, and retaliation: Tina Hatch, Compliance and Investigations/Title IX Coordinator, 406 East 100 South, Salt Lake City, Utah 84111, (801) 578-8388. HIGH SCHOOLS - UHSAA ACTIVITIES

GENERAL INFORMATION

- The maximum annual amount that a student may be charged is \$3,500.00.
- A student may be eligible to have any fee listed on this schedule waived. Any denial of a fee waiver can be appealed.
- Each time a student registers for a course or activity the board approved fee may be assessed.
- All fees listed are the maximum amount charged per student for each class or school-sponsored activity. Actual amount charged may be less.
- Any payment for student participation in a class, program, or activity is a fee and is subject to the fee waiver requirement. For information on fee waivers and other details, contact your school administrator.
- All students are responsible to pay for any loss, breakage, or damage they cause to school property. Loss breakage, or damage is not subject to the waiver requirement.
- Donations are permissible in both elementary and secondary schools, but all such requests are voluntary. A student may not be excluded from an activity or program because they did not make a donation.
