Bonds Are For Building

Capital Projects Bond

Sumner High School Replacement Phase 2:

Build out Sumner High School to accommodate 1,830 students, increase safety and security, and replace the performing arts center, gym and pool. See more details on the insert of this brochure.

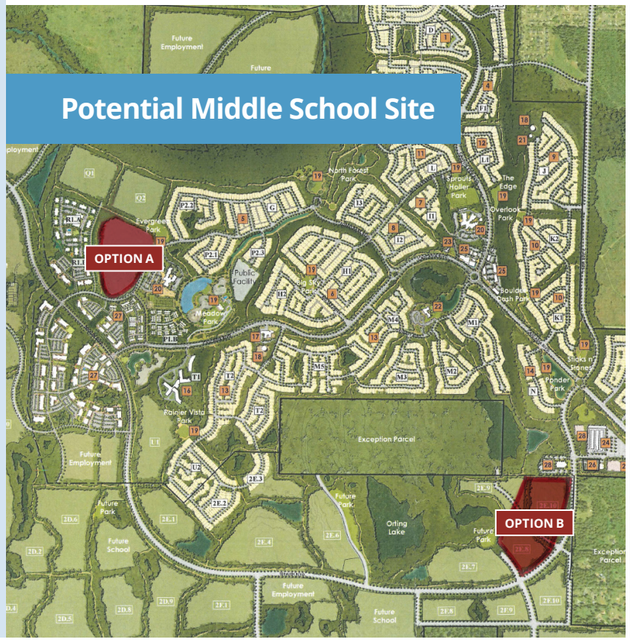
Land for future middle school

By 2030, we're projected to have an approximate 15 percent growth in middle school-aged students with an expected nearly 4,000 new housing units located primarily in the Tehaleh area.

New turf and lighted field on the future middle school land to be acquired in Tehaleh

The District's fields are in high demand. We're unable to accommodate all field requests. All-weather turf and lights will allow for year-round use by students and the community.

Sumner High School Expansion Phase 1:

In progress using 2016 bond dollars; anticipated completion 2022.


- New commons
- New library
- New cafeteria/kitchen
- New additional classrooms
- Associated support services (technology, security, restrooms)
