

Snacks Needed!

We are reaching out to ask for your support in providing prepackaged snacks for our students who may not have access to them during the school day. Unfortunately, our local snack program has been unable to supply us with the needed snacks due to funding limitations. Simply drop off a box of snacks, and we will distribute them to those in need. Healthy options that are lower in sugar are especially appreciated, as they help keep our students' energy levels stable and their minds focused. We are asking for donations between March 12 - March 20. Drop of donations at the main office. Thank you!

7th Grade Human Growth and Development Unit

Seventh Grade will be starting their Human Growth and Development unit (girls starting April 7th and guys starting April 21st). Students will be separated by biological gender for discussions and information regarding hygiene and body care, basic anatomy, fertilization biology/menstrual cycle, healthy relationships, setting boundaries) If you have questions, please contact your child's teacher.

KMS Yearbook Photos

The KMS Yearbook is looking for photos that parents might have taken of KMS students. You can email photos to jana.warnell@sd5.k12.mt.us or upload them using this link: <https://www.hjeshare.com/eShare/?code=kms2025yrbk>
Not all photos will be used but we appreciate you sharing anything you might have.
