

STUDENT FUNDRAISING ACTIVITIES

The Governor Wentworth Regional School Board prefers that the District financially support student activities. However, it recognizes that from time to time it may be necessary to raise funds to support activities that support the District vision and school missions.

Student fundraising activities will not be school-sponsored unless they have been approved by the building administrator and meet the guidelines outlined in **JJE-R**. School sports teams must receive approval from the Athletic Director prior to any fundraising activity. The Athletic Director in turn will notify the building principal, who must approve all fundraising activities within the building.

Student fundraising activities will follow local laws and regulations.

All monies raised through fundraising activities must be deposited in the school activity accounts which shall be maintained in accordance with standards and procedures established by the Superintendent or designee.
